John M. Driscoll, *General Manager*

WATER DIVISION

March 4, 2015

To Templeton Residents:

Templeton Water would like to thank all of those residents who assisted us in clearing snow and ice away from our many fire hydrants in town. We appreciate the time and effort put into such a task as it would have put us weeks behind schedule to shovel out all of them with our existing water operations personnel.

It is critical to always keep fire hydrants free and clear from obstructions year-round, but the abnormally high amount of snow in February 2015 alone had made this quite a task to accomplish. So thank you to all those who elected to help us out!

Sincerely,

John M. Driscoll

General Manager, TMLWP
