

MITSUBISHI MUNI HEAT PUMP PROGRAM

NEXTZERO

EXPERIENCE WHAT'S NEXT

Between
**\$1,400 and
\$3,100***
in savings per
year!

*Savings estimate based on customers who use oil, propane, or electric baseboard heating.

Heat pumps are an efficient and clean way to increase comfort in your home and save on your bills.

Heating oil, propane, and electric baseboard customers who switch to cold climate heat pumps could see significant annual savings.

As part Templeton Municipal Light and Water Plant's (TMLWP's) efforts to promote clean home heating and cooling alternatives for residents in Massachusetts, Mitsubishi is offering TMLWP customers special pricing on the purchase of a cold climate heat pump.

A copy of your TMLWP bill is required to receive your incentives. This is a limited time offer available through **December 31, 2022** or until funds are exhausted. Projects with an installation date of **January 1, 2022** or later are eligible. Visit www.NextZero.org/Templeton for details.

HOW TO RECEIVE YOUR INCENTIVE

Step One: Visit Mitsubishicomfort.com and select "Get Started."

Step Two: Click on "Find a Contractor" and enter your zip code for a list of qualifying Mitsubishi Diamond Contractors.

Step Three: Contact your contractor to find out what equipment qualifies and which system design is right for your family's home.

Step Four: Work with your contractor to complete the installation and receive a \$300 to \$600 discount off the price of new heat pumps.

Step Five: After your installation, visit www.NextZero.org/Templeton to apply for a rebate from TMLWP for a total rebate and discount of up to \$1,200.
