To ALL Templeton Water Customers

Effective Wednesday, November 18, 2015 the water usage rates in Templeton have increased by approximately 9%. This increase shall be reflected as of the December 2015 quarterly water billing cycle.

This increase is necessary to fund a new full-time water employee and the construction of a new water storage tank on Johnson Avenue in East Templeton utilizing USDA Funding.

A copy of the increased rates can be obtained at our office or on our website at www.templetonlight.com/waterusagerates.html.
