New Business:

The WS had met a member of NAYB at the Blouin Field on Maple St to discuss the possibility of a water hook up and he had given the member an estimate to connect to the water distribution system.

The GM told the Board that they would see some additional charges on this month's vendor warrants from ASABSD, LLC and explained why changes were necessary to the water side of our billing system.

There being no other Open Session business to discuss, on a motion by Chris, seconded by Dana, 3-0 favor the Water Commissioners' Meeting adjourned at 6:15 p.m.

Respectfully Submitted,

 John M. Driscoll
