The October 2015 Meeting of the Templeton Light Commission shall be held on Tuesday, October 6, 2015 at the Light & Water Office. The Light Meeting shall start immediately after the Water Meeting or at 7:00 p.m., whichever occurs first. The Light Commission shall be entering into Executive Session to conduct strategy sessions for negotiations with union personnel and/or conduct contract negotiations with union personnel. The Light Commission believes that if it were to conduct such sessions and/or negotiations in Open Session it would be detrimental to the Light Plant's collective bargaining position.
